Junior Section

Now in its fifth year, this section continues to grow in strength, and ex-Junior members are giving valuable service in the Senior Section productions and orchestra. The highlight of last season was their own production of "The Pied Piper of Hamelin," specially written by Mr. B. Kitson, and set to music by Mr. W. R. Walmsley. Rehearsals are now in progress for a completely new production by the same composers to be staged in October. New members will be welcomed, and those interested should contact the Secretary: Mrs. D. M. Mann.

Our Thanks

To all members of the Cast, and backstage workers for many hours rehearsing, making and painting scenery; Ladies' Committee for untiring efforts arranging social functions, and service at rehearsals; members of the orchestra, Northern Daily Mail for publicity, Vice-Presidents and Patrons, and to members of the public for their continued support.
