Musical Numbers

Arcadians are we
I quite forgot Arcadia
The Joy of Life (quartet)

Look what hovers there above us
The Pipes of Pan are calling
All a lie
Sweet Simplicitas
To all and each

Thats all over bar the shouting
Back your fancy
The Girl with a Brogue
This is really too provoking
Arcady is ever young
Somewhere
Charming weather
The Horses are out

Plant your posies
I like London
Half-past two
Cheer for Simplicitas
All down Piccadilly
Truth is beautiful

My Motter
My heart flies homing
