

Sing

Some words they can't be spoken only sung.
So hear a thousand voices shouting love.
There's a place, there's a time in this life
When you sing what you are feeling.
Find your feet, stand your ground
Don't you see right now the world is listening to what we say?

Sing it louder, sing it clearer, knowing everyone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

To sing we've had a lifetime to wait (Wait, wait, wait)
And see a thousand faces celebrate. (We have to celebrate)
You brought hope, you brought light,
Conquered fear, no it wasn't always easy.
Stood your ground, kept your faith
Don't you see right now the world is listening to what we say?

Sing it louder, sing it clearer, knowing everyone will hear you.
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

Some words they can't be spoken, only sung.
To hear a thousand voices shouting love and life and hope.

Just sing, just sing, just sing, just sing *some continue this*

Sing it louder, sing it clearer, knowing everyone will hear you
Make some noise, find your voice tonight.
Sing it stronger, sing together, make this moment last forever.
Old and young shouting love tonight.

Hear a thousand voices shouting love.
